Group Guidelines

Please understand that **Naples Botanical Garden** is not a park, but a living collection of plants for study and aesthetic enjoyment. To ensure the safety of our guests and preserve the Garden's pristine natural environment, we respectfully request that you keep the following in mind:

- 1) Upon arrival you will be met by a Garden representative or a tour guide.
- 2) If your group is larger than 15 people, your group will likely be divided accordingly in order to maximize the visitor experience.
- 3) It is recommended that **guests wear appropriate shoes and clothing, hats, sunscreen and bug spray** for comfort while touring the garden.
- 4) The plants in the Garden are growing. They are delicate, valuable, and easily damaged. **Never remove vegetation that is attached to a plant or lying on the ground.**
- 5) **No part of any plant should be eaten.** Please avoid unimproved surfaces, including sand. Hand-to-mouth or hand-to-eye contact should be avoided after touching any plant. Should you have an adverse reaction after contact with any plant or organism, please alert your tour guide.
- 6) Plants defend themselves, some leaves and branches have sharp tips or edges. Please be aware of your surroundings and don't walk in plant beds.
- 7) **Please use caution!** There are overhanging branches and/or obstacles at ground and eye level which can pose a risk to safety. Walkways may be wet underfoot and can be slippery; watch your step at all times.
- 8) Please put trash in the appropriate trash and/or recycling receptacles.
- 9) Group leaders must stay with their group(s) at all times.

Reservations will not be considered valid without a credit card guarantee and a signed copy of these Terms and Conditions. Email tours@naplesgarden.org
